# **QMS® CrownCopy™ Stand Installation**

---

## **Introduction**

The copy stand is made of a strong, clear acrylic that allows you to place the CrownCopy scanner above the QMS 2425/2425 TURBO Print System.

## **Installation**

# **Installation**

Use the following procedure to install the CrownCopy stand:

**1 Unpack the copy stand.**

- 
- ▲ **Caution:** *Do not lean or place any object over 40 lbs (18.6 kg) on the upper shelf of the stand.*
- 
- 2 Place the copy stand on top of the printer, ensuring that it clips down into the slots located on the upper-left side of the printer.**
- 3 Place the scanner on the stand with its interface ports facing the back of the printer.**
- 4 Set up, if necessary, and connect the scanner, using the instructions in the CrownCopy section of chapter 5, "Storage and Scanning Devices," of your *QMS 2425/2425 TURBO Print System Options* manual.**

## **If You Need Assistance**

If you need assistance refer to appendix A, "QMS Customer Support" of your printer documentation for information on how to contact QMS.
